Quick Start Guide

Need an AI scribe solution? Great news! You can take advantage of the **Ontario AI Scribe Program*** to access qualified vendors and get the best price.

Here's How

1 **Tell us what you need**

Click here to submit your Expression of Interest form. You'll then get instructions on submitting Supply Ontario's intake form to provide information about your needs.

2 **Review the options presented to you**

Supply Ontario will review your form and get back to you with different options, including price, that meet your requirements.

3 **Sign the document**

Once you choose a solution you like, we'll guide you through the paperwork. If everything looks good, you can go ahead and sign to finalize the purchase.

4 **Start using your AI scribe**

The vendor will provide the necessary instructions and will onboard you so that you can start using the AI scribe solution.

Need help integrating your AI scribe with your workflows?

Please contact OntarioMD at **Support@OntarioMD.com** for complimentary change management services.
